**RE: Patent Application control number
10/075,569 perpetual Motion Fan Module. Filing
Date 02/13/2002.**

**In reference to Office Action Dated 9/29/2003,
where the Examiner requested that I supply a
working model of the invention to establish the
operability of the device, I am hereby requesting a
freeze of the said Office Action, in order to have a
third party testing of the device.**

**The Pro-se applicant request information
concerning the length of time allowable, and the fee
if any for such a freeze. Thanking you kindly for
your help in this matter.**

Very Truly Yours
